Can a yeti be the victim of discrimination? A funny, hard-hitting fable.

This morning the teacher has big news: "Meet our new student, Maurice!" Raymond and his friends start laughing out loud: Maurice is a yeti! Yetis aren't like us, that's for sure. They're huge, their feet stink, and some people say they eat children. But when Maurice tells his classmates about the land he comes from and his life there, it sounds awesome!
