

An Eco-Friendly Atlas of the World

Authors:

Publisher : Akinomé

Category : Children's Books

Genres : Non-Fiction Children's Books

Keywords :

An original, creative, beautifully illustrated atlas to help children discover the world through a focus on environmental themes.

An atlas to inspire travel in a way more respectful of the environment and local peoples. A beautiful large format book, richly illustrated and full of good recommendations on how to learn about the world and travel in a responsible way that is mindful of nature and local inhabitants. The profile for each continent includes information on endangered species, traditions, environmental protection associations, and much more!

- The first atlas to focus on environmental themes.
 - Advice on how to reduce your impact while traveling.
 - Featuring young authors all committed to the environment.
