200 drawings inspired by journeys to all far-flung four corners of the world.

A master of every technique from ink to watercolor, charcoal to ink wash, Loustal is one of the finest living artists when it comes to capturing the atmosphere of a place or a character's state of mind.

As its name suggest, *Antipodes* gathers over 200 drawings, oils, and watercolors inspired by trips to places all over the world and their diametrical opposites, from Tierra del Fuego to Iceland by way of Florida, Patagonia, and the Canary Islands.
