In search of his family, a little bird leaves his nest and flies away to explore the world.

Once upon a time, there was a little bird who lived in a deep, dense forest. He was so small, and the trees were so big, that he did not dare leave the family nest. But the day to migrate arrives. One morning, everyone leaves without him, so he throws himself into the air to find his family. But which way did they go? He asks the woodpeckers, the pink flamingos, the toucans and parrots, etc. A wonderful artistic picture book about birds, with powerful and lustrous illustrations – a round-the-world trip and a beautiful coming-of-age story.
