Sometimes all you need is a sign, and life becomes so much brighter...

Megg is 40, married with 2 kids. She hasn't been herself since her mother passed away 6 months ago. She cries a lot, and wishes her family would support her more. One day, she discovers old photos that were taken in Bulgaria. Photos of her mother... in the arms of a man who isn't her dad. To find out more about this relationship, Megg decides to take a trip across Europe with her neighbour and daughter. Along the way, Megg will not only discover the truth, but also proof of the profound love her mother bore her. She will come to believe in herself again, and take back control of her life!
