The new edition of this novel sold 120,000 copies. A tremendous and powerfully moving story that brings a forgotten corner of history to light.

The true story of a "comfort woman" from 1930 to the present day. These women were turned into sex slaves for Japanese soldiers when Japan invaded Korea. The shattering true story of Sangmi, who was only fourteen when she was forced into a military brothel. But Sangmi survived the assaults and humiliations of her hellish life through her courage and the secret hope of one day finding her father, a mysterious Frenchman her mother had forever disavowed...
