Green Planet: an imprint as eco-friendly as it encourages

you to be!

I have a great group of friends in my neighborhood. Their names are Chloe, Nino, Charlotte, Hugo, and Valentino. We do everything together—it's more fun that way! For example, tomorrow, we decided to go to school on our bikes! With our helmets and neon vests, we're ready for the challenge: pollute less, but also get there before the school bus to see the fifth graders' faces when they arrive!

But, as my friend Chloe said: "You know, Noah, biking in the city isn't just good for the planet—it also means lots of surprises!"
