The parallel construction of this thriller (the investigation on one hand and the young missing Native American girl on the other) keeps us in suspense until the final confrontation.

Valérie Lavigne left her position as detective lieutenant with the police in Montreal two years ago. Too much pressure, and too many painful memories. But then at a gas station one evening, she catches a little girl's eye. She is sure that she has seen that gaze somewhere before. Could the girl be one of the missing persons she investigated in her former life? She needs to be sure and reconnects with her lifelong partner, Gautier Saint-James. After *Seven Days to Survive_x001D_*, a new adventure for this couple of investigators from Quebec.
