Bravado, scams, and seduction!

An invitation into the world of gambling from a female point of view. In this novel, peppered with slang and laughter, the gamblers are big-hearted thieves who use their banter to manipulate people. Their relatively well-hidden wounds – masked by an impenetrable exterior and laid-back attitude – make them tenacious and cheekily audacious. Righting wrongs in weird ways, they take us on a wild road trip as each individual tries to do justice while looking for love to maintain their balance. Get ready for diabolical card games, scenes reminiscent of Western saloons, and old-fashioned gangster godfathers.
