This is the story of a couple, who, despite the warnings, let a "Raymond" into their lives. Raymond is a strange creature that cries and prevents you from sleeping at night, constantly playing on your nerves. But oddly, in spite of it all, you'd do just about anything for him. Eventually, Raymond grows up and transforms into a tall, lanky teenager, who spends all his time with other Raymonds. Before long, you might just end up missing that strange little creature who used to keep you up all night!
