Family stories for all ages!

Pico Bogue is the eldest child of a normal family, and when we say "normal," we mean quirky and occasionally stark-raving mad! Along with his little sister Anna, Pico goes through life with as many certainties as he has questions, making the kind of pertinent observations that only children are capable of. Sometimes challenging, always lovable, there's no end to Pico's mischief, much to the amusement, exasperation, and surprise of his long-suffering parents!
