

The Tree and the Shadow of the Moon

Authors: Hélène Romano (Text) - Adolie Day (Illustrations)

Publisher : Éditions Courtes et longues

Category : Children's Books

Genres : Picture Books

Keywords : Origami

The only children's book about a parent's suicide.

Suicide is the second most common cause of mortality among adults. A child is distressed and powerless when facing this traumatic situation. This is why it is vital to encourage the child to speak about what they're going through. This picture book aims to prompt children to think about what suicide means, providing support for parents and children, but also new perspectives for health professionals working with victims.
