A comprehensive guide to understand how your child works and have fulfilling study time at home.

As a psychologist specialized in neuropsychology and as a mother of two, Nadège Lizion has come up with a way to put an end to the dreaded "homework struggles" faced by so many parents. This book will help you to understand the way your child's brain works, as well as helping you detect signs of learning disabilities. It will also reinforce the principles of positive parenting and create a positive communication dynamic.

This book will bring you answers and concrete every-day solutions, so that study time can become a bonding experience between you and your child.
