When Julian learns that his father has been killed in a car accident, his whole world falls apart.

When Julian, a 13 year old boy, learns that his father has been killed in a car accident, his whole world falls apart. Then, one day, a video pops up on his computer: it's his father - and he has a message for Julian about life, love and death.

If death is a reality which nobody can escape, who can tell us what we'll find beyond the big black wall? Maybe Eli, Julian's younger sister!

This moving novel takes us beyond despair and absence.
