Four Walls

Author: Kéthévane Davrichewy

Publisher : Sabine Wespieser

Category : Literature and Fiction

Genres : Novels/Fiction

Keywords : Downgrading

The lost paradise of childhood and its innocence echoes through *Four Walls*, as each sibling gives their side of the story of their family feud.

When their father dies, four siblings return to the empty rooms of the family home. Everything anyone says seems to have a hidden meaning, especially when it comes to inheritance.

Two years later, they no longer speak to each other. However, they all agree to meet in Greece, their country of origin. The trip is an opportunity to look back on their relationships and their past.

As each protagonist delivers their version of events, author Kethene Davrichewy gradually reveals the truth behind the family drama.
