---

Wedding ceremonies involve a large number of rituals. Observations, descriptions and testimonies.

Wedding ceremonies involve a large number of rituals, which, through observation and description, allow key insights of the group, testifying in particular to the roles of women on such occasions. In Tuareg culture, weddings are traditionally very expensive for the groom and his family. This situation has given rise to a new practice: collective weddings. However, whatever the families and their means, collective weddings have not eliminated certain traditions.
