

Journey to the Center of Microbiota

Authors: Fäst (Script writer) - Héloïse Chochois (Illustrations)

Publisher : Delcourt

Category : Comic Books and Graphic Novels

Genres : Non-Fiction

Keywords : Anatomy - Intestine - Germ - Identity - Sustainable city - Alchemy

Take a deep and fascinating dive into intestinal microbiota! These organisms, invisible to the naked eye, have yet to reveal all their vast secrets.

Microbiota, an island in the Pacific. When a multimillionaire develops the Eubiosa, a cocktail of bacteria intended to help humankind to live better and longer, journalists rush to see his presentation. One of them, Alice Sentina, is determined to make her host understand that the consequences of tampering with that misunderstood organ, the intestine, are more far-reaching than he can imagine.
