Spectacular nature.

A book to encourage children to respect and protect our natural environment. A celebration of the Earth's extraordinary beauty and biodiversity to inspire awe and raise awareness about the fragility of our planet and wealth of natural wonders. Discover rainbow mountains, a cave with giant crystals, a 300-foot-high geyser, a pink lake, flowers of ice, fake suns, whirlwinds of fire, and countless other spectacular phenomena. The beautiful illustrations take center-stage, while the concise, detailed, and accessible writing will appeal to young readers and pique the curiosity of older ones.
