The Earth has changed.

Since its first publication in 1999, *La Terre vue du ciel* (*The Earth From Above*) has been a record-breaking and lasting success with over 4 million copies sold in 35 countries. Over the last 22 years, Yann Arthus-Bertrand has continued to photograph the planet, and the book has been continuously updated.

- the latest Éditions of this *book of wonders* in a smaller, friendlier size
- major environmental issues analyzed by world-famous writers
- Updates to all text, captions, and data.

This book showcases the Earth's beauty to inspire readers to save it.
