A beautiful, sparkling pop-up board book that makes readers want to see and feel the snow, all the sensations and emotions of winter.

The anticipation under cottony clouds, the lightness of those first few flakes, hands red with cold, the glee of sledding, steps that crunch in the drifts, the sparkle of ice, spring thaws and the first few buds, filled with promise... Anais Brunet gives readers a powerful, delicate, and unique visual world. Her paintings transport us deep into nature's wondrous heart.
