The swiftly vanishing world of the Great North in 150 never-before-seen photographs.

Tales of animals in their native habitats and the impact of climate change as told and magnificently illustrated by tireless travelers.

A powerful subject: the environment and the impact of global warming in 150 never-before-seen photos that immortalize the ice pack, soon to disappear. From an exhibit on the fences of Les Invalides, co-sponsored with the embassies of Finland, Iceland, and Norway.
