On the heels of her hits *Garden Birdz* and *Water Birdz*, Christine Flament continues this beautiful collection on birds.

Kites, golden eagles, barn owls, vultures—meet birds of prey in their natural habitats in this fun game of hide-and-seeK. Color illustrations put the spotlight on birds against gorgeous, highly realistic black-and-white backgrounds. An informative, educational picture book: each double-page spread is a chance for children to learn more about the birds in the book. And at the end, a surprise awaits...
