Who's afraid of the big bad wolf? Not us! What if a feather dared defy a wolf? Eight spectacular pop-ups in pursuit of the feather tickling the wolf.

This picture book is 100% animated and 100% hilarious! Will the wolf manage to get rid of the feather that won't leave him alone? He stretches out, shakes his arms, winks, then opens his mouth and shows his tongue... and suddenly sneezes so hard his muzzle comes right out of the page! The feather seems to be gone... or is it? The pop-ups in *What A Crazy Wolf!* are nothing short of amazing, the writing amusing with an unexpected finale. The big bad wolf is a perennial favorite, a staple of kiddie lit. Anne-Sophie Baumann's creativity is perfectly matched by Thomas Baas's spectacular illustrations.
