Funny-looking animals, or funny-looking squares?

Why are all the animals square today? An imaginary bestiary for toddlers, with a plot, word games, and stunning twist ending. With expressive, simplified forms that inspire games and play, Gay Wegerif forges a direct connection between her young readers and books. **[je ne suis pas tout a fait sur de ce que l'anglais peine a exprimer ici, mais comme le francais est si different, c'est difficile a dire... Si c'etait a moi, je referais l'anglais completement pour etre plus clair]**
