Publisher : 3œil

Category : Children's Books

Genres : Picture Books

Keywords : Butterfly - Androids - Desire for children - Natural preserve - Passing of time

"He dreamed he was a butterfly. What a strange sensation!"

A man falls asleep and dreams of being a butterfly. But dreams mimic reality so well that at times, we're left unsure of our identity. Who am I, really? The person doing the thinking or the person I believe myself to be? Where is the line?

A story that gives us food for thought about imagination and its powers of suggestion.
