What happens when Zozo the bird meets Chacha the cat?

Zozo is a tiny little bird (tweet tweet). Chacha is a big fat grey cat (meow). Zozo flies around singing on one side of the page, while the big cat purrs on the other. All of a sudden, WHOOSH! Zozo slips onto Chacha's side. GULP! The cat swallows the bird! But all's not over yet for Zozo... A twist on a classic story, with two of the most famous animal enemies in children's literature. Corinne Dreyfuss' simple, minimalist picture book overflows with twists and onomatopoeia twists before its final reveal!
