It All Begins with One Person

Stories of the Climate Generation

Author: Yann Perreau

Publisher : Denoël

Category : Humanities and Non-Fiction

Genres : Essay

Keywords : Youth - Climate change - Banana - Activism - Sustainable city

This book delves into the daily lives of young people of the Climate Generation to understand the reasons behind their activism and hardships.

Through different points of view spread out over space and time, this book tells a shared history: one that rallies the youth of the Climate Generation around a common destiny. The future of the planet unites them in spite of their differences: profile, upbringing, gender, nationality, etc.

A study in Activism 2.0, *It All Begins with One Person* examines the difficulties, the feelings of helplessness, the paradoxes, the widening gap between ideals and reality, the desire for change, and the need to earn a living.
