"A pleasant tale espousing values of mutual aid and sharing. Splendid illustrations immerse readers in a tranquil nature embellished with enchanting colours."

Winter is tiptoeing in: it's time for Pioupy the starling to travel to the Warm Lands. Bad luck! He misses the appointed take-off time, and his family flies away without him! With the help of the song thrush Bianca, he hopes to find them again at the Avian Ball.

A melodious tale to sweep readers away with migratory birds.

Aimed at readers between picture books and early nonfiction, the "Tales of Nature" series awaken children to the wonders of nature.
