Keywords : Friendship - Abbey - Kindness - Androids - Catalog

Daniela Bonerba, Rights Agent

"A gentle, comforting book that aims for what really matters--just what we need after the last two difficult years."

A delightful feast with friends, to be savored.

"For your birthday," suggested Sonata, "what if made a big feast with all our friends, of dishes that taste like every kind of weather? We could all introduce the kind of weather we like best!"
