"This wonderfully rich picture book with bright colors teaches kids to count up and down while having fun. A complete success!"

Ready? On your mark, get set... The whistle tweets twice for the start and they're off! There's one cup to be won. We've already knocked over 3 hurdles; they're lying across 4 lines drawn on the ground. Number 5 has broken a record: 6 yards, says the ref! Virginie Morgand created this book to teach small children to count using sports. The animals lead us through their Olympic games: bear weightlifting, feline races, dancing hippos in leotards watched over by a referee on a giraffe. Everything is in motion! Readers will sprint joyfully to the book's finish line.
