A thriller with multiple POV characters and a chilling atmosphere, where hatred cuts as sharp and deep as a skate blade.

Snickering in the air vents, bloody handprints, mysteriously disappearing objects... The young hockey team is sure the Greilles ice rink is haunted by the ghost of Thomas Grimbert, who died on the ice 30 years ago. Less superstitious and more focused, the figure skaters win the coveted opening performance at the club's gala. The usual rivalry between athletes ratchets up a notch: low blows, insults, intimidation... And when a high schooler is found lynched in the locker room, accusations fly. Suicide? A settling of scores? Or Thomas, back from the dead for revenge?
