Marcel is a boxer. A champion. The fight that will change his life? Cuba!

Weighing in at 220 lbs., Marcel is a big guy. He likes drinking through a straw and his favourite animal is a llama. Marcel is a boxer. A champ. But he often feels lonely and bored. Winning just isn't enough anymore. His next fight will take place in Havana, Cuba. As he steps out of his hotel, Marcel trips over Pedrolito, a very grumpy, odd-looking dog on wheels. Pedrolito likes mojitos, tattoos, and long card games. The two have nothing in common, but Pedrolito takes it upon himself to show the boxing champion around. Could this be the beginning of a friendship that will change Marcel's life forever?
