Care

For over 20 years, toddlers have identified with this lively, playful young rabbit whose interests and worries mirror their own.

Little White Rabbit gets involved in the kind of simple situations and experiences children encounter every day. The stories are true-to-life and cover many themes familiar to young children. For the school show, Little White Rabbit is preparing a show with his class: costumes, dancing, music... It's really exciting! What will the little bunny perform on stage in front of his Mom and Dad?
