A hollow oval body, a round sound hole ringed by a rosette, a long neck, a head with tuning pegs for six strings – meet the acoustic guitar!

Discover all the secrets that go into making this legendary instrument. How does a luthier shape it? How do they pick which kind of wood to use where? How does it make a sound? What are electric guitars like?

Illustrator Karine Maincent brings an energetic palette showcased by the special pantone printing process used for the book.
