Embark on a dazzling new poetic journey...

What if the art of animation made poetry its own - bold, creative, and dreamlike? This book features 52 poems and 52 interpretations by young animation filmmakers. Each of these animated shorts, whether light-hearted, melancholic, dreamlike, or droll, are set their own unique graphic world and reflect the diversity of animation techniques. The powerful illustrations take Roy, Tardieu, Verlaine and Chedid's texts to whole new levels.

A book and 2 DVDs full of emotion, with 52 gems. A marvel of poetry for children and grownups alike.
