What does it mean to be "in love" with someone? Salome doesn't know, but her friends at school each have their own ideas.

Ernest keeps being mean to Salomé, whose mother says he might be in love with her. But what do young children mean by "love"? Every child has his or her own explanation... Does being in love drive you crazy, or turn you into an angel? Does it last five minutes or forever? How many people does it take to be in love? Is love just for girls, or boys too... and even adults?!
