The first sex-positive education guide for the whole family.

This new, improved edition is built around 120 questions and answers approved by health and education professionals. Adapted to each stage of development from child to pre-teen, these address such themes as the body, consent, sexual orientation, love, puberty, pleasure, and reproduction. Some sections are intended for parents, while others are designed for children between 5 and 14, deepening and expanding (with clear color coding) in relation to their age and maturity.
