A guide to help couples improve their lives together and make sense of their crises.

During one of her sessions, marriage counselor Caroline Kruse meets with a couple who are struggling and unable to communicate, to find a common language and shared assumptions. What will help them aren't one-size-fits-all tips and prescriptions. Rather, Kruse's task is to provide leads, insights, keys that will make the pair take a step back and better understand: firstly themselves, but also their partners, and their couple as a whole.
