With its rounded, endearing pictures and words suited for the earliest readers, this book gives parents and children a memorable moment to share.

Everybody knows about hugs, right? Or do they? Why do people hug? Because they've been apart for a while, then get back together. Because they're sad or afraid. because it sure beats getting mad. In this book, a little bunny hops from page to page, looking for chances to give out hugs. Children will identify with the everyday emotions and experiences of the bunny, who is comforted by a series of kindly adults. From fights and sorrows to joyful reunions, hugs are always to be found. A picture book for tiny tots about a very lovable subject.
