Raphael wants to know how he came into this world, so his mother launches into the epic tale, spanning many nights.

Little Raphael loves stories. So he asks his mother to tell him the story of how he came into this world. His mother embarks on an epic tale with a chapter every night: how she met his father, his sister's birth... Raphael gets a little impatient, until one night he finally finds out how he came to be part of his family. But he's a little disappointed: what he wanted to find out is how babies get made! His mother tells him that'll have to be another story... and it'll be Dad's turn to tell it!
