Are you ready for a new ethics of love?

"For a long time, I was always green with jealousy, no doubt the most violent emotion I'd ever experienced. And it devastated me. But it's also the feeling from which I've learned the most. When we succeed in transcending our fear of losing our significant other, we go from hell to happiness, discovering the joys of unconditional love. Jealousy taught me all of that, for which I'm grateful."

Michka's daring life is now a luminous memoir. A liberating book!
