A picture book that speaks of love with tenderness and humor and without judgment or preconceived ideas. A little gem to offer your loved ones!

What is love, anyway? Georgette does not provide an answer, but shows love in all its forms through the eyes of a little girl and the sweet, passionate words she collects from the world around her: a pregnant woman, children at the playground, two boys, a grandpa, a grandma... "Love grows like a seed, with kisses and secrets. It's like a good place to hide, but with a huge roller coaster inside. It may not always sound sweet, but it gives great foot massages!" From simplicity comes universality!
