

How to Understand Your Child's Brain

Author: Pascale Toscani

Publisher : Hatier

Category : Practical Books

Genres : Well-Being/Self-Help - Couples/Family

Keywords : Cognitive science - Brain - Neurology - Daily Life

An accessible essay at the intersection of psychology and neuroscience, on a theme that fascinates today's parents.

This book aims to help parents change the way they think about child development. With the help of clear, instructive explanations, Pascale Toscani adopts a complementary two-pronged approach throughout this book drawn from both psychology and neuroscience.
