A very funny, action-packed picture book about figuring out who you want to be!

Granita is no ordinary apple: she's not about to end up in a pie or a crumble, thank you! For while Granita is an apple just like her friends, unlike them she wants to decide her fate. So one day, she ups and leaves... to travel the world! When her skin finally starts to wrinkle, she returns to find her roots.

But wait... where did all the other apples go?
