A Short Guide to Feminist Culture for Succeeding in a Patriarchal Society

Author: Sabrina Erin Gin

Publisher : Leduc

Category : Humanities and Non-Fiction

Genres : Essay - Sociology

Keywords : Patriarchy - History - Cards

An essay that puts women and overlooked histories back in the spotlight.

This accessible, hard-hitting essay tackles major topics in feminism through much smaller stories that have contributed to the big picture. Little-known facts about women worldwide, past and present, plus outrageous anecdotes that contributed to putting the patriarchy in power, all delivered with sarcasm and humor—because humor is essential for facing the future and abolishing history as written by men.
