A tragicomedy in six acts for three characters and... a whale!

What is the Minotruche? A kingdom the size of a speck of confetti! Brimming with ambition, Sigismond dreams of a glorious future for his country, lost in the middle of nowhere. His latest foolproof idea: to summon all neighboring states to a gargantuan banquet with a whale on the menu! But how do you get your hands on a whale when you're landlocked? To fulfill his maddest whims, even his royal parents the King and Queen are willing to go to any lengths, out of pure vanity.
