Ah, summer evenings... It's not easy for kids to get out of the pool and go to sleep. Who puts the animals to bed at night?

It's getting dark in the backyard. Time for the children to go to bed. Is everyone asleep?

Not really! As soon as the last light in the house goes off, the fun begins for Kapok, the dog, and his friends: the wild boar, the elephant, the peacock...

Everyone's ready to party!

"This is the rhythm of the niiiiight!"
