It's Diego the macaw's birthday. A big party's brewing in the rainforest with all his feathered relatives. But first, the family photo: no easy task!

Meet Diego the scarlet macaw, a parrot species known for its exceptional lifespan. In the Amazon rainforest, a great big banquet of seeds and worms has been laid out for the happy occasion. All the feathered friends gathered for his birthday can't wait for the party to start! But first, the traditional family photo must be taken. Athena the owl photographer calls for everyone to take their places, but nothing goes as planned. The fowl bellyache, the cuckoo won't sit still, the ostrich gets in front of everyone else, the night birds nod off...
