Love, laughs, magical lights, larger-than-life characters, and perfect female friends.

It's looking like a quiet Christmas for Pauline this year: her parents have gone on a cruise and she's stocked up on TV dinners, in comfy unicorn PJs with her hair disheveled. But she hadn't foreseen the office Christmas party leading to a steamy makeout session with her HR manager in the parking lot of her apartment complex. And when it turns out this tragic faux-pas has been caught on CCTV, Pauline's cozy plans for Christmas start to unravel. Determined to save her honor and her reputation, she'll do anything to persuade the handsome porter to destroy the compromising video—even agreeing to spend Christmas with his very intrusive family!
