When Wolf finds his underwear is full of holes, he's determined to work hard so he can afford the latest, most fashionable pair.

Three little pigs call out to the wolf: "Wolf, are you there? Can you hear us? What are you doing?" Wolf is trying to get dressed, but... his underwear is full of holes! Off he dashes to the shop to buy another pair. Red, with lace and a pig print, hand-embroidered with pretty golden thread... There's no shortage of underpants, but they're also very expensive. And Wolf has only a single coin in his pocket! But the salesman offers him a job in exchange for the underwear of his choice. Wolf puts his nose to the grindstone, sweating and panting as the three little pigs look on, jeering and mocking. A funny story that upends conventions!
